Mobility 2021

1-2 September 2021
Melbourne

Submission Guidelines

- Your abstract should be max 250 words and written as a paragraph, max 2 abstracts per person.
- All submissions will be reviewed by a Review Panel made up of subject matter experts representing industry, academia and government. Outcome notifications will be emailed June 2021.
- If successful, your abstract will be scheduled into the program and you will be informed of your presentation schedule. You will then be asked to confirm whether you plan to give your presentation in person or remotely and asked to complete your Speaker Registration by the end of June. (All speakers must register, regardless whether presenting in-person or remotely.)
- A reduced registration fee is available for speakers.
- Whilst speakers will be able to present remotely, attendance options for delegates at this conference is in-person only.
- Submission Close Date: 16 April 2021
